

SOL-LA Music Academy

## Scholarship Application

Founded in 2007, SOL-LA Music Academy is a non-profit performing arts program based in Santa Monica, California, whose mission is to provide an excellent and innovative arts education, at a minimal cost, to children from all backgrounds and income levels.

SOL-LA tuition covers approximately 50% of our costs, and our vibrant program is made possible by generous contributions from our students, families, instructors, friends and community.

We gratefully count on the support of SOL-LA families and friends to provide needed volunteers to offer their time, talent and skills to supplement SOL-LA tuition, and enhance our program.

The Scholarship program is intended to help provide music education to students with limited financial means, who otherwise would not have the opportunity to attend SOL-LA. Please submit your application as soon as possible as Financial Aid Awards are subject to the availability of funds.

The application process is confidential.

To apply, please submit a letter that must address the following:

- Family information, including parent's marital status, children's names, ages and schools.
- Personal statement of demonstrated financial need and special circumstances relating to this request.
- Student's interest in music, length of study, names of past teachers, current music lessons, classes and ensembles and their location.
- Student's ability to consistently attend classes and participate in events.
- Student's inspiration and purpose behind the student's motivation to attend SOL-LA.
